PREAMBLE:

In the Government Order read at (12) above, sanction was accorded for the engagement of Graduates/Diploma holders in Library Science and Information Management and Diploma holders in Commercial Practice as apprentices in Karnataka Government Secretariat Library under the Apprenticeship Training Scheme of the Apprentices Act, 1961 for the year 2019-20. Accordingly, Apprentice trainees have been appointed for a period of one year. On completion of this one-year training period, the trainees are being relieved from the Karnataka Government Secretariat Library. The rates of stipend to be paid to the Apprentices have been revised in the Government order read at (5) above. It is now proposed to continue this Apprenticeship Training Scheme for the year 2020-21.

The Director, Board of Apprenticeship Training (Southern Region) Government of India has agreed for the engagement of degree holders in Library and Information Science, Diploma holders in Library Science and Information Management and Diploma holders in Commercial Practice as apprentice Trainees under the Apprentices Act, 1961 and the number of trainees will be varied as per the norms prescribed by the Board of Apprenticeship Training. In the letter dated 30-10-2018, mentioned at (11) above, the Director of Apprenticeship Training has informed that "since, the grants from the Government of India, towards fifty percent stipend reimbursement is drastically reduced for the year 2018-19, it is advisable to engage graduate and technician apprentices on Stipendiary non-reimbursement basis".

Therefore, the expenditure to be incurred on the payment of stipend to the apprentice trainees has to be borne wholly by the Government of Karnataka for the time being. It is decided to engage 03 Degree holders in Library and Information Science, 08 Diploma holders in Library Science & Information Management and 01 Diploma holder in Commercial Practice for the Apprentice training for the year 2020-21.

The proposal has been examined and the following orders are issued.
